

Kia ora Trade Partners,

Please find below the latest KiwiRail update on our services.

INTERISLANDER

We are happy to announce that the repairs to Aratere's berth and gangway in Wellington are now complete and she is now able to return to service effective immediately. The original Interislander timetable for all ships will resume from 1445 today.

Please find attached our current timetable.

PICTON TERMINAL

Extensive checks have been carried out on the Picton terminal this week, and we have now been approved to occupy a majority of the building again. Please continue to advise your customers to check in at the main terminal building on Auckland Street as usual.

COASTAL PACIFIC THROUGHFARES

Please remember that if you have booked a Coastal Pacific throughfare for your clients, they are still able to use the ferry portion of their booking. If you are cancelling a throughfare but still require the ferry, please contact the KiwiRail Scenic Wholesale Team wholesale@kiwirailscenic.co.nz and mention that you only need to cancel the train portion and they will keep the ferry portion confirmed for you.

Whilst it was disappointing to lose the Coastal Pacific for the summer season, we are pleased to see the return of the full Interislander fleet alongside our fully operational TranzAlpine and Northern Explorer scenic journeys. Thanks again for your continued patience and co-operation. Please don't forget that Marlborough and Wellington are open for business and we would still love to see your clients down in our regions.

Please don't hesitate to contact us if you have any queries or if you need any assistance with working our services into new itineraries using the alternative road routes.

Thanks & Regards,

Lisa, Lauren & Kirsten
