Australian citizens do not need a visitor visa to enter Aotearoa New Zealand.

Australian permanent residents and travellers from a **visa waiver country** must apply for a **New Zealand Electronic Authority (NZeTA)**.

All other travellers must apply for a **visitor visa**. These are valid for up to nine months, and the easiest way to apply is online. Travellers are advised not to book travel until their visa has been approved.

All travellers transiting through New Zealand must apply for a **Transit Visa**, except if you are travelling to Australia, from a visa waiver country or from a **transit visa waiver** country.

To contact Immigration New Zealand (INZ) about your visa from outside Aotearoa, call +64 9 914 4100 (6AM - 10PM Monday to Friday (NZT) excluding New Zealand public holidays).
